Sir,

(E)

Ref:- G.O.No.1508 Mis., Development, dated 20-10-1926.

In their order quoted above, the Government sanctioned the employment of a third teacher in the Uppur school up to the end of the school year 1926-27. As the strength of the school began to decrease early in 1927, the continuance of the additional teacher was not pressed for and only two teachers have been working in the school since April 1927.

2. The strength of the school has now increased and the present distribution of the pupils in the school

is as follows:-

Class.	Boys.	Girls.
I B	30	9
I A	7	1
II	9	1
III	7	2
IV	14	Nil.
V	2	Nil
	69 --	13

Total 82 pupils.

It is difficult for two teachers to manage these 82 children divided into 6 classes. Rule 4 under section 41 (2) of the rules issued under the Madras Elementary Education Act of 1920 directs that there shall be at least one regular teacher for every 40 pupils on the rolls and it is very desirable that there should be a teacher for every 30 pupils.

3. In the circumstances, I request that you will be so good as to obtain the sanction of Government for the employment of an additional teacher for the Uppur school for a period of one year.

4. The extra expenditure involved can be met from the savings under "35 C Industries-Fisheries-viii schools for fishermen - Pay of establishment - Temporary".

I have the honour to be,
Sir,
Your most obedient servant,

B. Sundara Raj
Director of Fisheries.
